## 2019 Show Features

► **Over 350 Exhibitors** will be showcasing products and solutions in 3 themed areas: Security, Fire & Safety and SMABuilding

### ► 100+ Business Matching Tours

- During the 3 days, specially catered tours will be held to match visitors with the exhibitors based on their preferences to ensure quality business connection. **\*Please indicate the preferred dates for the tour during online registration.**

### ► 3 Engaging Seminar Programmes

- **Smart Factory Conference:** In partnership with Houselink, international and domestic experts will help the investors, consultants, contractors and suppliers have a better overview of the Vietnamese market in the context of the 4th industrial revolution, about preferential policies, investment trends and more.
- **Fire & Industrial Safety Seminar:** learn about the latest practices in the field which can help to increase fire & industrial safety for buildings, factories and more.
